MEMORANDUM FOR THE RECORD

25X1

SUBJECT: [REDACTED] /HYCON

25X1 1. [REDACTED] telephoned the undersigned on 27 July and reported
25X1 that [REDACTED] had reported into HYCON from Detachment "A". He was
25X1 therefore coming off of overseas tour as of 27 July. [REDACTED] clarified
25X1 the whole deal on [REDACTED] by stating that what the Company was endeavoring
25X1 to do was to get [REDACTED] back overseas upon the completion of his emergency
25X1 leave without any expense to the individual. They were therefore going
25X1 through the motions of assigning [REDACTED] to Detachment "B", but with no
25X1 expectation that [REDACTED] would stay with "B". As soon as "B" should arrive
25X1 at its destination, [REDACTED] would be expected to report back to Detachment "A"
25X1 and [REDACTED] now at Detachment "A", would switch with [REDACTED] and report
25X1 to Detachment "B". In view of these remarks, and inasmuch as we have
25X1 aircraft with space available departing the Ranch to deploy "B", we
25X1 suggested to [REDACTED] that [REDACTED] go out with "B" in a TDY status and
25X1 then be provided military air transportation from "B" to "A" as soon
25X1 as [REDACTED] should arrive from Base "A". [REDACTED] overseas tour of duty
25X1 would recommence as of his date of departure from the ZI with
25X1 Detachment "B".

25X1 2. [REDACTED] also informed us and requested that we pass on
25X1 to Detachment "A" the information that [REDACTED] is at Detachment "A"
25X1 as a permanent member of the HYCON team.

25X1 3. [REDACTED] who had been in on the telephone conversation, was
25X1 requested by the undersigned to draft a cable for Detachment "B", with a
25X1 copy for Detachment "A", setting forth the above arrangements. We also
25X1 will send a copy of this cable to HYCON for their information.
